Aim:

- ***Develop discipleship in young Christians***
- ***Develop leadership in young Christians***
- ***Develop fellowship for young Christians***

Develop discipleship means to encourage Christians into:

- a deeper faith,
- a greater knowledge of God and His word,
- a deeper understanding of the need for service and use of gifts,
- an acknowledgement of the need to give back to God of our wealth and abilities,
- a recognition of their place in the local church

Develop leadership means:

- to try and recognize spiritual leadership gifts
- to encourage the use of those gifts
- to correct and train potential leaders
- to offer opportunities to test leadership ability in a non-hostile environment

Develop fellowship means:

- to encourage friendship across church boundaries
- to provide sporting and social activities
- to encourage a network of support for fellow Christians
- to promote the well being of the whole person

Primary target group:

- Christians who are of secondary school age

Secondary target group:

- Young adult Christians, especially those new in the faith or with leadership potential

Achieved by providing:

- A programme of teaching and discussion that is culturally relevant to the target groups
- A programme of worship that is culturally relevant
- A programme of sporting and social activities which is in keeping with the interests, limitations and abilities of the target groups
- A programme of entertainment which is culturally relevant to the target groups
- An environment which is safe and a community which is warm and welcoming
- A programme which challenges the target groups to build a meaningful relationship with God
